EMDRIA Credential
Certificate Download Instructions

You can find your certificate with your digital credential on your badge page.

How to access your digital credential page:

Option 1) Use the link on the original email issued with the digital badge link.

Need that email again? Request a resend through info@emdira.org
Save that email and/or bookmark your page!!

Option 2) Vist your access to the MEMBER HUB if an EMDRIA member.

LOG-IN and visit this link: https://www.emdria.org/member-hub/
OR – Find your access to the Member Hub once logged in under the EMDRIA Links Tab
See image below:

How to download your certificate:

Once you visit your digital credential page

1) Select the certificate icon (rectangle)

Find icons for the badge and the certificate next to (or below) the large image of the badge

2) Select PDF beneath the image

Select the PDF option and download a standard PDF of the certificate for printing.
